BERNAT® BABIES

Book No. 222 Price $1.75

Baby things must be gentle but strong. This yarn understands.

Soft baby things must also be strong enough to stay rich-looking and pretty, washing after washing. That makes Berella 3-Ply Fingering the perfect baby yarn. That is why we use it for most of the new-baby things in this book. We reinforce this yarn with strong, strong Nylon. To be exact: it is 60% acrylic fibers and 40% Nylon. It is machine washable and dryable. It is light to the fingers and sheer pleasure to work with. It comes in 1-oz. skeins and in 25 colors— including, of course, all the classic baby-yarn colors and baby ombres. Ask for it at your Bernat dealer.

You will note: all 19 styles in this book are made with Bernat Berella® yarns. Berella 4,® Berella Sportspun and Berella Baby Bulky are spun of 100% acrylic fibers, are machine washable and dryable, and come in baby-yarn colors and baby ombres.

From bassinet to kindergarten...and even beyond!

From the lacy Christening Dress on the back cover...to the 4-to-14 sweaters on Page 5...this is a book for all the years from being born to growing up.

There are 19 styles. Most of these are sets. Two of the sets include matching crib and carriage covers. There are four separate covers as well; three of these are shown in black-and-and-white photos.

There are two little-charmer dresses and a coat. (See Pages 5 and 36.) All three are in sizes up to 4, and one of the dresses is done on an Afghan Hook.

Throughout the book, style after style, you find one lovely pattern stitch after another. For instance, see Page 11...the sacque, the bonnet, the blanket. You crochet these in Berella 3-Ply Fingering Yarn, and in the striping pattern you use single, half-double and double crochet. The effect is beautiful and the crocheting is a joy!

So, we believe, is this entire book. May it bring you many happy hours all wrapped up with the babies in your life.

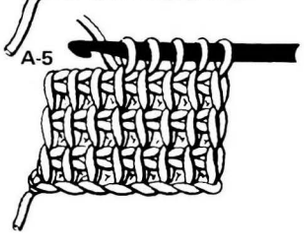
AFGHAN STITCH

A-1 There are now 2 loops on hook.

A-2 Draw up a loop in same manner in each remaining stitch of the chain, **leaving all loops on hook.**

A-3 Now take off the loops as follows: Y o hook, draw through 1 loop, * y o draw through 2 loops, repeat from * across row.

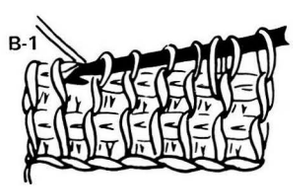
A-4 After you do the above, the loop remaining on the hook counts as first loop of the next row.



A-5 Then **skip** the first upright bar. (See A-4 again). Now draw up a loop in the next upright bar and in each remaining upright bar (A-5) leaving all loops on hook. Now take off the loops in the same manner as for Row 1 (See A-3 above as a reminder). Repeat this for the number of rows you need.

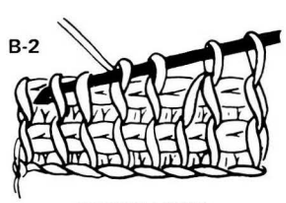
TO INCREASE OR DECREASE IN AFGHAN STITCH

Increasing or decreasing, always work in the Afghan Stitch. Or when one day you might be working with the Afghan Hook in a special pattern stitch, always increase or decrease in that pattern stitch.



INCREASING

B-1 To Increase: Skip first upright bar, draw up a loop in next upright bar, draw up a loop under ch between next 2 upright bars (1 st increased).



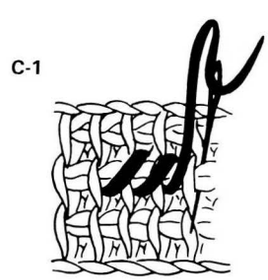
DECREASING

B-2 To Decrease: Skip first upright bar, sl hook under next 2 upright bars and draw up 1 loop Only (1 st decreased). Decrease 1 st in same manner on the 2nd and 3rd upright bar from end of row and also in the row to form darts.

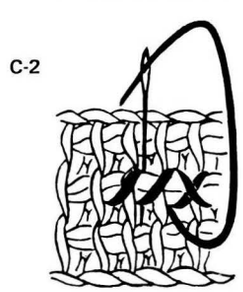
B-3 To Work Off Stitches: Working in pattern st, work 1 sl st in each upright bar.

HOW TO CROSS-STITCH A DESIGN ON YOUR AFGHAN STITCH

Each upright bar across a row of afghan st is counted as 1 st. When you cross-stitch a design, you will be using a chart of that design. Following the chart, count the upright bars. You will note that there are two holes formed by afghan st **after** each upright bar, with one hole above the other. You will be using a blunt end needle called a **tapestry needle.**



C-1 Work from left to right. Join your design color, on the **wrong** side of your work, at the **lower** hole, and work it **across** the next upright bar to the **upper** hole. Then bring needle through the lower hole which is **directly below.**



C-2 Continue doing this for the number of sts for the color being used. Remember that you have been working from left to right for this number of sts. Now work back, from right to left, to form the cross-stitch. Be careful not to pull the yarn too tightly. Note: Always work crosses in same direction.

The following is a concensus from published material by fiber manufacturers (such as DuPont), makers of washing machines and Dry Cleaners Institute.

HOW TO CARE FOR KNITTED GARMENTS

HAND WASHING – Button or zip garment. Turn inside out. Lukewarm to cool water. Mild soap such as Ivory Snow. Do not put soap directly on garment. Moderate amount as recommended by manufacturer. Rinse water, same temperature. Squeeze out excess, roll in towel and squeeze. Support garment with hands to avoid "drag". Lay flat on smooth surface and allow to dry thoroughly. Keep out of sun while drying. DO NOT HANG. DO NOT STRETCH. DO NOT PRESS.

MACHINE WASHING – (Not recommended for wool unless shrink-treated). Button or zip garment. Turn inside out. For additional precaution, put garment into a pillow case or draw-string mesh bag. This protects against excess friction and abrasion.

Set on three minute cycle, delicate or low. Mild soap, same as for hand washing. Avoid "wool wash" preparations for orlon. Avoid strong detergents containing alkali. Allow comparably short rinse cycle.

Tumble dry at low setting, gentle cycle, low heat, never more than 120 degrees. With a light load, it helps to put a dry turkish towel in dryer to absorb excess water. Dry thoroughly. Time varies with different makes of equipment. Remove immediately. DO NOT HANG. DO NOT STRETCH. DO NOT PRESS.

AFGHANS AND OTHER HEAVY PIECES
While these may be made of machine washable and dryable yarns, it is, nevertheless, recommended that they go to a reputable dry cleaner for professional handling. Many home washers have inadequate capacity.

Your cleaner will always appreciate a label from your yarn so he may immediately ascertain the fiber with which he is dealing. Each has its own characteristics in the cleaning process.

A NOTE ON "PILLING" AND SHRINKAGE
Friction causes excessive pilling; too much heat can cause shrinkage in woolen fibers and stretching in acrylic fibers. Thus short cycles and low temperatures can insure long and happy life for your knits.

Interestingly, the finest and most expensive fibers are most prone to pilling and fuzzing. (Cashmere is a good example).

First by even ounces:

1 ounce is equal to	28.4 Grams
1½ ounces are equal to	42.6 Grams
2 ounces are equal to	56.8 Grams
4 ounces are equal to	113.6 Grams

Then by Grams:

100 Grams are equal to	3.52 ounces

STITCH GAUGE

The term "STITCH GAUGE" is the MOST IMPORTANT part of all KNITTING and CROCHET directions, since the sizes of any article is planned on this gauge. You MUST work to the gauge which is given or your finished work will not be the size indicated in the directions.

TO CHECK STITCH GAUGE

CAST on or CHAIN approximately 20 sts, using the yarn and needles specified. Work in specified pattern stitch for 4 inches. Bind or fasten off. Steam the swatch. Then using a RULER as a guide, count the number of sts to 1 inch. If your stitch gauge is MORE sts to 1 inch than given in the directions, try the next size larger needle and again check your gauge. If your stitch gauge is LESS sts to 1 inch than that given in the directions, try the next size smaller needle and again check your gauge. The IMPORTANT THING to remember is that the size needle used does not matter, as long as your stitch gauge is correct.

HINTS FOR BETTER KNITTING AND CROCHETING

For Knitting

RIBBING
On the first row work in the ribbing pattern given. On all other rows, K over the K sts and P over the P sts.

TO SLIP A STITCH
Whenever the directions specify a sl st, always insert the right hand needle in the st to be slipped as if to P, unless otherwise indicated.

STOCKINETTE STITCH
K 1 row, P 1 row alternately when working on straight needles. When working round and round on a circular needle or double point needles, knit every round.

MARKERS
When work specifies the use of a marker, use a small round paper clip for this purpose. In working, always slip this marker from one needle to the other.

JOINING YARN
If possible always join a new ball of yarn at the beginning of a row. When it is necessary to join the yarn while working across a row, leave an end about 4 inches long; then work from the new ball of yarn on the next st, also leaving a 4 inch end. After working for 1 inch more, tie these two ends in a square knot, so that the tension will be the same as all other sts. When finishing work, run in these ends on wrong side for 1 inch.

For Crocheting

TO INCREASE
Work 2 sts in one stitch.

TO DECREASE
Unless otherwise stated draw up a loop in each of next 2 sts, y o and draw through all loops on hook.

TO ADD STITCHES
Ch the number of sts designated in the directions, turn and work 1 s c in 2nd ch from hook, 1 s c in each st to end of ch, then work in pattern st to end of row.

TO OMIT STITCHES
Unless otherwise stated, sl st over the number of sts designated in the directions, work to last sts designated, ch and turn.

TO CHANGE COLORS IN CROCHETING
When changing colors in crocheting, always work off the last 2 loops with the new color.

NOTE: If you wish your garment to be longer than length suggested be sure to buy additional yarn when you are making your purchase.
